Good afternoon Colin,

Please see if you can get the Plummer street encampment on the schedule for Dept of Sanitation to come do a clean up again.

As you know, unchecked this gets out of control.

The tenant at the Picture frame shop works late and is very scared of the situation across the street.

The homeless come on the property looking in trash cans and is afraid of getting attacked

What else can we do?

Do you have any suggestions?

Fwd: weekly clean up at plumber street encampment

Waiting for something bad to happen not an option, just a matter of when!!

More tents and more cars parked and hanging out.

Very disturbing condition.

Thank You for your attention to this
